h bitch (were a trill nigga live)

You say you got your shit strait you ain't worried bout no man
taken care of you you gone git yours any way thick girl pretty
face big thighs
Skinny waist don't really do the club you just heard that it wa
s jiggalatin ain't never been to jail couldn't take that cell d
on't smoke dough can't take that
Smell smoke a lil killa but a nigga couldn't tell jiggle like a
stripper but the cooche ain't for sale your heart you never ga
ve 'cause a nigga wasn't real
Never felt played cause you can't play a playa instead of getti
ng hurt you rather chill so you chilling rather be alone then h
ave him playing wit your
Feelings I'm peeping how you acting sadiddy like you ain't wit
it acting like you some kind of virgin I kinda digg it 'cause I
ain't one of them them clowns around
That be bullshitting neva slipping keep playing ima get into th

is sex shit

Remind me of the movie playas club I'm telling ya face like diamond shape like ebony ate one one arched eyebrows with a belly ring doing an old crazy ass

Dance that I ain't ever seen bet you took an hour trying to squeeze that ass up in them jeans is that your real hair or is you stunting come here let me

See ass out spitting bussing open hold up let her be all low from all the smoke and I can barely see ass break a hard dick in half girl marry me you like

This song huh young savage on a mannie beat I'm from Louisiana but damma stand the weed I'll get some shit on camera you would never want your man to see me gripping your ass

Cheeks pussy dripping water sucking Boosie dick and screaming Weebie fuck me harder your I'd on the dresser right outside the camcorder and every body pisse in

The toilet I'm retarded

Ay ay ay respect it pimping picture me and yo bitch name on my license plate on the front of my cutlass you heard me and you heard staring me and yo hoe

Picture me and yo bitch at my crib on my posterpidict bed with the sleep number 16 mattress stiff and I'm giving her big long hard country dick yeah respect that
