

I'm Back

Webbie

I'm back, I'm back, I heard he said that he was ready for Webbie said where he at.

The trill fam ya'll wouldn't have made it where he at.

A whole clique of squares I bet you somebody would have rat.

Scary Cat. Scary Cat.

Couldn't nothin kill us, I told you lil bitches way back that I'm the trilliss take a picture of me,

Listen to me ya'll been dunkin bullets, now I'm back and tell a nigga fuck em.

R.I.P to my big cousin it really touched me and they need to free lil B not just for me but for the streets, they love em.

What up Barrack you know it's hotter than a pot and yeah you know there somewhere plottin but it ain nothin we just gone keep on goin I still don't know when it gone stop so I'm just layin up in the rain and I can see the sun shinin' and it just keep on pourin, tourin round the world different cities gettin titties the realest niggas walk up and they tell me I'm the realest one so many independent women clown I can give you one so you can move on that with her get off the couch and stop bein a bum busta show ya'll I don't even know ya'll, and tell yo home boy his hoe called I'm back and you know it I did it then I rolled it and you know what I be cheifin and I keep it like I grow it and no you don't wanna go there I bet I can stoop the lowest higher than I can get I just open pounds and I blow em half my friends up in jail the other half of them want it I'm back it's savage life I done got up on my paper my next door neighbor a joker I can't sleep hoes up on me everywhere I go they be on me ya'll just take em fuck em duck em give them hoes to my homies they love to come to my parties they know my shit be the crunkest big bad of weed and pink bottles let's see who can get the drunkest I'm back I know ya'll missed me I spit this shit like we want it that's why all the bad bitches and trill niggas be on it real niggas really feel it the killas they get to killin all the hustla's get to hustlin and chillas they just be chillin I'm back, I'm back, I'm back, I'm back, I'm back.
