My lil soldier, yo lil soldier, his lil soldier
Dey lil soldier u gon be just like me boy

Woke up crying im pissed again bad azz hollerin its milk again fixed you a bottle put it in
Your hand u down that bitch like a fifth of hen we wild alike we smile alike dey be like boy
You and your child alike couldnt even walk tryna take the mic soon as you go t to walking went
Straight to fightin i take you to yo people cause they love to see ya dey always check yo
Pockets right before you leave and i be like goddamn he only 3 boy u a straight g and u got it
From me i drop the top and turn up the beat and u bob ya head and i hit the weed like father
Like son we hit the streets lil nigga u gon be jus like me hell yea im a good dad but i dont
Know if its good or bad so many niggas dont like my ass i wouldnt be surprised if lightin strike
My ass boy u act like my ass dont know of these hoes excite my ass put sa money to da front and
Da hoes to da back and da niggas to da side and keep it like that

I be like oh yea (you gon be just like me)
Sometimes i get scared (you gon be just like me)
You gon end up dead (you gon be just like me)
Lil nigga fuck dat (you gon be just like me)
Dey gon bust yo head (you gon be just like me)
Naw you gon bust theirs (you gon be just like me)
U gon stack dat bread (you gon be just like me)
U know how u gotta play it (you gon be just like me)

To have it in yo blood i know how dat felt u jus like me so i dont need no dap on top boy u
Always gotta see yoself f**k dem niggas u dont need no help but being like me u gon need dat
Der keep cuz i care boy keep cuz i swear to god killaz out der everywhere so here jus keep it on
Ya belt cuz i love you to death jus cuz dey der dey not friends u aint got ends you aint got
Friends keep u a rubber for ya hot friends and always put it on before u pop it in keep it real
Dats da main thang some fools change dats da strange thang i cant explain so me niggas fake all
I can say is jus stay safe chill son im forreal son i promise u only gon live once put ya on
Game while ya still young got old folks out chea still dumb tryna get rich u dont have to see
All da dum shytt dat i had to see still be prepared in case u have to see cuz it aint no tellin
Who afta me graduate u probably should if i could take it back i probably would main i wouldnt
Even tryna do it felt like i aint even have time to do it jus like da block u gotta grind to do it
F**k dese niggas aint a crime to do it if
Ya think about ya big cuz how ya doin life shytt it really aint nuttin to it
