

Know What U Know

Webbie

[Intro]

Know what u know nigga fuck what you heard
If know what u know nigga fuck what you heard
Bitch you know what u know nigga fuck what you heard
Bitch you know what u know nigga fuck what you heard
Look

[Verse 1]

What you think bruh, I ain't got a bank bruh
If anybody want some beef just tell em [?]
These fools ain't got nothing to lose just tryna gain some
Ain't one time I played the pussy where I came from
I can go back is like that I'm the same one
Y'all need to get the fuck back cause there's train coming
I got a bad bitch you keep [?]
Every night Mary Jane I ain't never with the same woman
I run the streets I'm right here cause only hoes run
I got it hard didn't nobody left me home nothing
No matter what you heard about me least you heard something
You keep on acting like a hoe gonna get your head banged
I need a rubber so I told ma brother just one
Soon as I call her I had to tell her bitch run
Far as I remember I made my own [?]
Straight [?] whole hunnid I get some

[Hook]

I ain't the real deal then finally what you thought huh
No I ain't really really that's probably what you hear of
Or you can fuck with me that's probably what you think huh
That's what you think huh bet that's what you think huh
Been booded the fuck around that's what you heard huh
I do whatever for ma dog give me the word huh
Or you can fuck with me I bet that's what you think huh
That's what you think huh bet that's what you think huh

[Verse 2]

I had to whip it fro before I hit the radio
They tweeting pussy shit
But when they see me they don't tell me though
Go on shoot yo video, I don't need no cameo
I don't need no grammy hoe nigga I been having hoes
Yeah I been having bra's [?] cars
And I been having guns what's up we can go to war
And I been catching charges I been payin' lawyers
I been laid back chilling me and my nigga [?]
Man these nigga pussies better get these pussies [?]
I been keeping it real I been staying loyal
Boy you better stay in your place tryn' stay grown
Have you tied up four ways [?] home
Knock your lil' bitch ass off tryn' be on
Have your people crying for weeks tryn' be strong
Turn your niggas in the police know [?] wrong
Keep this precinct the street I try to stay home

[Hook]

I ain't the real deal then finally what you thought huh
No I ain't really really that's probably what you hear of

Or you can fuck with me that's probably what you think huh
That's what you think huh bet that's what you think huh
Been booed the fuck around that's what you heard huh
I do whatever for ma dog give me the word huh
Or you can fuck with me I bet that's what you think huh
That's what you think huh bet that's what you think huh

Know what u know nigga fuck what you heard
If know what u know nigga fuck what you heard
Bitch you know what u know nigga fuck what you heard
Bitch you know what u know nigga fuck what you heard
Look
