

Decapitation

Wednesday 13

Let's go

I don't want to see your face anymore
I want to see your fucking head on the floor

Decapitation
D-d-d-decapitation

Your head, it's just so big and round
I want to see that motherfucker on the ground

Decapitation
D-d-d-decapitation

I hope it doesn't sound obscene
I want to burn your remains with kerosene
Oh, watch it burn

D-d-d-decapitation
Decapitation
D-d-d-decapitation
Decapitation
Decapitation
Decapitation

Everybody
Decapitation
I'm talking to you
Decapitation
Decapitation
Off with your head
D-d-d-decapitation
