

Life Will Kill Us All

Wednesday 13

Oh, is this life?
Or is this misery?
'Cause I can't tell the difference
It's all the same to me

Now we hope and pray,
And we ask God why?
How do you even try when we all
Know we're gonna die

We don't need tomorrow
It's all over soon
It's killing everything
Including me and you

And life will kill us all
On hands and knees, now, we all crawl
We can't live forever, but we can try until we fall
And life, will...

On your hands and knees
Scream, baby, scream
'Cause we're never getting out alive
And I know, that's a guarantee

Now we hope and pray,
And we ask God why?
How do you even try when we all
Know we're gonna die

We don't need tomorrow
It's all over soon
It's killing everything
Including me and you

And life will kill us all
On hands and knees, now, we all crawl
We can't live forever, but we can try until we fall
And life, will kill us all

We don't need tomorrow
It's all over soon
It's killing everything
Including me and you

And life will kill us all
On hands and knees, now, we all crawl
We can't live forever, but we can try until we fall
And life...
