

## Screwdriver 2 - The Return

Wednesday 13

Guess who's back now, on the planet  
And your head is, where I'll ram it  
Can't you see I still don't care  
Screwdrivers back now stick it in your head

Screwdriver, screwdriver, screwdriver  
Stick it in your head now  
Screwdriver, screwdriver, screwdriver  
Stick it in your head now  
Screwdriver, screwdriver, screwdriver  
Stick it in your head now  
Screwdriver, screwdriver, screwdriver

I don't care I'll use either end  
Either way its going in  
Your pathetic, so pitiful  
Take it a screwdriver ram it in your skull

Screwdriver, screwdriver, screwdriver  
Stick it in your head now  
Screwdriver, screwdriver, screwdriver  
Stick it in your head now  
Screwdriver, screwdriver, screwdriver  
Stick it in your head now  
Screwdriver, screwdriver, screwdriver  
Stick it in your head right now!

Screwdriver, screwdriver, screwdriver  
Stick it in your head now  
Screwdriver, screwdriver, screwdriver  
Stick it in your head now  
Screwdriver, screwdriver, screwdriver  
Stick it in your head now  
Screwdriver, screwdriver, screwdriver
