

Suffer

Wednesday 13

You're gonna get what you deserve
One fucking day
Why don't you wrap your lips around
A fucking hand grenade
I know you're an idiot
So let me fucking explain it

You're dead weight disgrace
You're fucking dead to me

Who's laughing now motherfucker
I'm laughing all the way to your grave
Who's laughing now motherfucker
I won't rest until I see you suffer

Fucking suffer
Motherfucker
Fucking suffer
I'll watch you suffer

I got some bones to pick
And they're inside you
And I will celebrate
When they are all removed
Hey stupid get something straight
I wouldn't waste my piss on your grave

You're dead weight disgrace
You're fucking dead to me

Who's laughing now motherfucker
I'm laughing all the way to your grave
Who's laughing now motherfucker
I won't rest until I see you suffer

Fucking suffer
Motherfucker
Fucking suffer
I'll watch you suffer
Fucking suffer
Motherfucker
Fucking suffer
I'll watch you suffer

Suffer
Fucking suffer
Motherfucker
Fucking suffer
I'll watch you suffer
Fucking suffer
Motherfucker
Fucking suffer
I'll watch you suffer
