

The Other Side

Wednesday 13

And it's time we face the days
When the ones you love go away

I can't breathe cause my heart is breaking
Life can be cruel and so devastating

In your name we're still burning the fire
Love and loyalty it will never expire

And I'll see you on the other side
That's where we meet again
If I see you on the other side
Will the pain finally end

Into sadness I descend
And this journey seems to have no end

I can't breathe cause my heart is breaking
Life can be cruel and so devastating

In your name we're still burning the fire
Love and loyalty it will never expire

And I'll see you on the other side
That's where we meet again
If I see you on the other side
Will the pain finally end

In your name we're still burning the fire
Love and loyalty it will never expire

And I'll see you on the other side
That's where we meet again
If I see you on the other side
Will the pain finally end
