

Tie Me a Noose

Wednesday 13

Tying another knot in the noose for me
Death comes soon
And as I hang, I hang in spite of
Of you

You were the best to bring the worst right out of me
And casualties have always been my specialty

Save all your prayers for the priest now
He comes soon
And when I die, I'll die for me, not
Not you

My world is crashing down, the casket's on the way
Just dig the hole and fucking put me in my place
And from this noose you watch my life taken away
The only home I've ever known is the grave

Tie me a noose
So I've got something to hold onto
Just scream my name in vain, now
As I hang, as I hang
Tie me a noose
So I've got something to hold onto
Just scream my name in vain, now
As I hang, as I hang

Tie me a noose
So I've got something to hold onto
Just scream my name in vain, now
As I hang, as I hang
Tie me a noose
So I've got something to hold onto
Just scream my name in vain, now
As I hang, as I hang

Tie me a noose (oh-oh)
Tie me a noose (whoa-oh)
Tie me a noose (oh-oh)
Tie...
