

Bath County

Wednesday

I can walk on water
I can raise the dead
We joined the Exodus
Headed out from Dollywood

Every daughter of God
Has a little bad luck sometimes
Every daughter of God
Has a little bad luck sometimes

Kid in Bath County, Virginia
Sippin' piss colored bright yellow Fanta
Heard someone died in the Planet Fitness parking lot
Fire trucks rolled in and people stood around

Hittem with a dose of Narcan
Sat right up in the leaned back seat of his
Two door sedan
On the way home, play Drive-By Truckers songs real loud
You'll be my baby 'til my body's in the ground

Drunken laughter
Violence after
Killing the heat
Salt strips the paint
