

## TV In The Gas Pump

Wednesday

Highway sign fell down  
We missed town  
Dresser on the side of the road  
Pick it up

Swingset in a big fuckin' field  
Lookin' at the monster mowing  
Through the tall grass  
Cutting it flat

Chain knockin against  
A metal pole  
In the wind  
People standin' with their arms crossed  
In the line at the Panera Bread  
At a rest stop

Violently came up  
In a Dollar General  
You took too much  
Jake walked into a Starbucks  
TV in the gas pump  
Blares into the dark
