

## Wound Up Here (By Holdin' On)

Wednesday

Scratch-off ticket for the education lottery  
Found him drowned in the creek  
Face was puffy  
They hung his dirty jersey up in a trophy case  
Next to his girlfriend in a picture with a varsity face

I wound up here by holdin' on  
Your faceless fear gathers like a mob  
Wound up here by holdin' on  
I wound up here by holdin' on

Started the highway, then ran out of money  
So we meet up at the on-ramp, drink 20/20  
Weeds grew into the springs of the trampoline  
You saw a pitbull puppy pissin' off a balcony

I wound up here by holdin' on  
I wound up here by holdin' on  
Wound up here by holdin' on  
I wound up here by holdin' on

Misread your name at the wake  
Snack from a vending machine  
Like a smack on the ass  
At the back of a dream  
Mounted antlers in the kitchen on a crooked nail  
Other killers keep teeth, keep the fingernails

I wound up here by holdin' on  
You reappear before I noticed you were gone  
Wound up here by holdin' on  
I wound up here by holdin' on
