

I'm Wide Open

Ween

Lips to her nipple
Down to the bristle
Swallow your pride (inside)
And get ready to go home
I'm wet like a weasel
Down to the bristles
Coming in from behind (oh my)
I'm wide open
Wide open
Wide open

I'm hot like a rocket
Growin' deep in my pocket
I'm wide open

Lips to her nipple
Down to the bristle
Swallow your pride (inside)
And get ready to go home
I'm wide open
I'm wide open
I'm wide open
I'm wide open

I'm wide open
I'm wide open
I'm wide open
I'm wide open

I'm wide open
I'm wide open
I'm wide open
I'm wide open (yeah yeah)
