```
Drift away on a puffy cloud
Go away on a puffy cloud
My brain is dead from too much pot
'Cause Gene, Dean and I smoke too much pot
Cloudy, cloudy, cloudy cloud
Cloudy, cloudy, cloudy cloud
Cloudy, cloudy, cloudy cloud
Cloudy, cloudy, cloudy cloud
Float away on a cotton ball
We write songs about the clouds
My brain is dead from too much pot
'Cause Gene, Dean and I smoke too much pot
Cloudy, cloudy, cloudy cloud
Cloudy, cloudy, cloudy cloud
Cloudy, cloudy, cloudy cloud
Cloudy, cloudy, cloudy cloud
Drift away on a puffy cloud
Go away on a puffy cloud
My brain is dead from too much pot
'Cause Gene, Dean and I smoke too much pot
Cloudy, cloudy, cloudy cloud
Cloudy, cloudy, cloudy cloud
Cloudy, cloudy, cloudy cloud
Cloudy, cloudy, cloudy cloud
```
