I ate some corn chowder and it got me sick  
Your pussy smells fierce and I just won't lick  
Gener took a look and he shouted Mick  
You've been sucking on the blood from the devil's dick

Devil's dick, devil's dick, suckin' the blood from the devil's  
dick  
Devil's dick, devil's dick, suckin' the blood from the devil's  
dick

Tequila margaritas what makes me tick  
Your little sister's always sitting on my prick  
If there's just one habit that I know I gotta kick  
It's sucking on the blood of the devil's dick

Devil's dick, devil's dick, suckin' the blood from the devil's  
dick  
Devil's dick, devil's dick, suckin' the blood from the devil's

One more bag o' smack oughta do the trick  
Your dog is an inbred and you're a fuckin' hick  
If you say one more thing about your fatass chick
