

## Wayne's Pet Youngin'

Ween

Morgan's pain  
Succumbs to the frame  
In a zany combination  
Of Wayne's pet youngin'

Astral plane  
Conversing lame  
In a zany combination  
Of Wayne's pet youngin'

A stained pane  
Drownin' out the rain  
In a zany combination  
Of Wayne's pet youngin'

You name the game  
And I'll bring Dwayne  
And Roger and Rerun  
To Wayne's pet youngin'

Rerun's brain  
Confetti stain  
In a zany combination  
Of Wayne's pet youngin'

What's your name?  
Are you glad you came?  
Would you die in the name  
Of Wayne's pet youngin'?

Yes, I would
