

# All This Love

Weezer

With a key and a kite  
Waiting for lightning to strike  
Camping out in the field by my house

I forgot how to live  
How to love, how to give  
How to sing with a mask on my mouth

Now I won't be so precious about it  
Cuz I I I I, I I I I

I got all this love that I been saving up  
I got all this love that I been saving up  
Lemme let it out, lemme let it out  
I got all this love that I been saving up

Through a hole in the wall  
I could see one and all  
And they all looked exactly like me

Now I know what I know  
And I can't let it go  
As the wind lifts me up by my wings

And I won't be so precious about it  
Cuz I I I I, I I I I

I got all this love that I been saving up  
I got all this love that I been saving up  
Lemme let it out, lemme let it out  
I got all this love that I been saving up

Do do do do do do do do do do do do  
Do do do do do do do do do do do do  
Lemme let it out, lemme let it out  
I got all this love that I been saving up

Waiting for a sign  
That I would be set free  
Then I closed my eyes  
And there I saw the key  
I I I I, I I I I, I I I I

I got all this love that I been saving up  
I got all this love that I been saving up  
Lemme let it out, lemme let it out  
I got all this love that I been saving up

Do do do do do do do do do do do do  
Do do do do do do do do do do do do  
Lemme let it out, lemme let it out  
I got all this love that I been saving up
