

Blast Off!

Weezer

Blast off
Up to the stars we go
And leave behind everything I used to know
Somebody's giving me a whole lot of money
To do what I think I want to
So why am I still feeling blue?
Oh, Wuan and Dondo

Goddamn
Get your head out of your hands
Here's to all the times we're gonna have
Cooped up for a year with the two best looking babes I've seen
all year
Get me another bottle of beer
'Cause I'm feeling fine

Go ahead and waste your head
We've got the time
I hope you don't object if I speak my mind

Don't forget the purpose of the mission
Or Nomis will be swallowed by it's sun
Each one of you is a top graduate of the Star Corps Academy
It's up to you to reach to the dream
Oh, Wuan and Dondo

Go ahead and waste your life on silly fears
I hope you don't object if I crack another beer, yeah

Hold on
Who is it here that I see?
Wasn't she your favorite bitch in the academy?
I don't know if I wanna lead on this woman
Y'know, I've done that before
She's actually a good girl
Or at least a cheap ho
