

# Caveman

Weezer

Who needs another Lou Ferrigno  
Splitting his shirt when things slip out of his control  
Wise men do say that honey gets more bees than vinegar  
I'm not sure, so I guess I'll try and let a tantrum out

Right now, got to be a caveman, wow  
Right now, got to be a caveman

I'd like to be a soft and cuddly guy  
Sing songs, tell jokes, and while away the evening time  
But they won't take me seriously, they'll think that I'm a puff  
No drugs, I'll have to show 'em what I am made of

Right now, got to be a caveman, wow  
Right now, got to be a caveman

Kicking, screaming, bitching, yelling, and hitting  
This is the way we get to munch a carcass  
Kicking, screaming, bitching, yelling, and stomping  
Just like our friend, the mighty brontosaurus

Aah...

Right now, got to be a caveman, wow  
Right now, got to be a caveman

Kicking, screaming, bitching, yelling, and hitting  
This is the way we get to munch a carcass  
Kicking, screaming, bitching, yelling, and stomping  
Just like our friend, the mighty brontosaurus
