

# Feels Like Summer

Weezer

Climbing up the tower  
Just a boy and his computer  
I'm still in my bathrobe  
Hiding in the shadows  
I'm not used to losing  
Bye, bye, sugar blue eyes  
Go home with the angels  
Thank you for being so kind

I'm holding on and I don't want to let you go

Yeah it feels like summer  
Yeah it feels like summer to me  
Yeah it feels like summer  
Yeah it feels like summer to me  
And she was a lover to me, to me, to me, to me

Which way is the graveyard?  
I'm an iceberg with a warm heart  
I'm spiritual, not religious  
I'm a Libra, if it matters  
Shattered by an email  
Your words will fade away  
Castle built in the sand  
Will only last one day

I'm holding on and I don't want to let you go

Yeah it feels like summer  
Yeah it feels like summer to me  
Yeah it feels like summer  
Yeah it feels like summer  
Yeah it feels like summer to me  
Yeah it feels like summer  
And she was a lover to me

June bride, shine so bright  
Flowers in her hair, but it just ain't right  
June bride, shine so bright  
Flowers in her hair, we look good together, oh yeah  
We look good together, oh yeah

Yeah it feels like summer  
Yeah it feels like summer to me  
Yeah it feels like summer  
And she was a lover to me  
Let me see the smile, stay with me awhile  
I cried for you, you were the song in my life  
Let me see the smile, stay with me awhile  
I cry for you, you were the song in my life
