

Francesca

Weezer

Ooh, Francesca I need you
No matter what you do
You are my Waterloo (hoo-hoo, hoo-hoo, hoo-hoo)

Hey, listen to what I'm saying
Every word is true (ooh hoo)
I'm sorry for complaining
I think I earned a little kiss, put my name down on your list
Take these nails out my wrists, ma biche

Listen to my pleas, I know you understand me
You're the one who se-ee-hees I ain't Mahatma Gandhi
We both know it would be fun, little bit of hit and run
Gotta bail before they come, adieu

Ooh, Francesca I need you
No matter what you do
You are my Waterloo (hoo-hoo, hoo-hoo, hoo-hoo)

Aie, I'm literally dying, victim of a coup (hoo-hoo)
I didn't even try it
And now they brought their flaming sword, we're not welcome anymore
Just a devil and a whore, c'est fou

Ooh, Francesca I need you
No matter what you do
You are my Waterloo (hoo-hoo, hoo-hoo, hoo-hoo)
And hey, Francesca by the way
You always make my day
You are my Milky Way (hey hey, hey hey, hey hey)

Why can't I have you?
It isn't fair, no, it isn't kind
Why can't I have you?
It isn't fair, no, it isn't kind
(Oh)

Ooh, Francesca I need you
No matter what you do
You are my Waterloo (hoo-hoo, hoo-hoo, hoo-hoo)
And hey, Francesca by the way
You always make my day
You are my Milky Way (hey hey, hey hey, hey hey)

Hey, hey hey, hey hey, hey hey
Hey, hey hey, hey hey, hey hey
