

# Get Right

Weezer

I've been spending time alone  
Thinking 'bout the things that could've been  
It's harder on my own  
I didn't think it would turn out like this

I made a shrine with pictures of you  
I tried and tried to get to the truth  
But I'm afraid to look  
And choosing one means losing all the rest

I know you're out there waiting for me there  
But I don't know if I can get right  
I know you're out there waiting for me there  
But I don't know if I can get by

Raise your candle high  
I would never turn my back on you  
I'm your tiger burning bright  
Even for just a day or two

There's something you should probably know  
I hate to be the man in your phone  
With alligator shoes  
Cause I really am in love with you

I know you're out there waiting for me there  
But I don't know if I can get right  
I know you're out there waiting for me there  
But I don't know if I can get by

Singing to my door  
Keep your fingers crossed  
Don't move out the way like a beautiful mirage

I know you're out there waiting for me there  
But I don't know if I can get right

Why won't you tell me  
I already know the answer  
Why won't you tell me  
It's over it's over

I know you're out there waiting for me there  
But I don't know if I can get right  
I know you're out there waiting for me there  
But I don't know if I can get by

Singing to my door  
Keep your fingers crossed  
Don't move out the way like a beautiful mirage

I know you're out there waiting for me there  
But I don't know if I can get right
