

# Getting Up And Leaving

Weezer

My life is changing  
I'm feeling blue  
The things I wished for  
Have come true, oh-oh-oh

Stop!  
I really, really wanna go back  
Back to where I came from  
Stop!  
I really, really wanna go back  
Back to where I belong

Now I'm getting up and leaving  
I'm leaving home  
Now I'm getting up and leaving  
I wanna go home

Don't write no music  
Don't read no books  
Don't call my baby  
On the phone, oh-oh-oh

Stop!  
I really, really wanna go back  
Back to where I dream from  
Stop!  
I really, really wanna go back  
Back to where I belong

Now I'm getting up and leaving  
I'm leaving home  
Now I'm getting up and leaving  
I wanna go home

Now I'm getting up  
Now I'm getting up  
Now I'm getting up and leave-  
Now I'm getting up  
Now I'm getting up  
Now I'm leaving
