

# I Woke Up In Love This Morning

Weezer

Last night, I turned out the light, lay down and thought about you

I thought about the way that it could be

Two o'clock, wonderin' what I'm doin' here alone without you

So I close my eyes and dream you here to me and

I woke up in love this morning

I woke up in love this morning

Went to sleep with you on my mind

I woke up in love this morning

I woke up in love this morning

Went to sleep with you on my mind

Hello, girl, yes it's five o'clock I know but you just listen

There's something that I've got to let you know

This is you, this pillow that I'm huggin' and I'm kissin'

And one more thing before I let you go

I woke up in love this morning

I woke up in love this morning

Went to sleep with you on my mind

I woke up in love this morning

I woke up in love this morning

Went to sleep with you on my mind

Do dreams come true, well if they do, I'll have you

Not just for a night, but for my whole life through

I woke up in love this morning

I woke up in love this morning

Went to sleep with you on my mind

I woke up in love this morning

I woke up in love this morning

Went to sleep with you on my mind

I woke up in love

I woke up in love

I woke up in love on my mind
