

It's Been So Long

Weezer

Gunter glieben glauchen globen

We don't wanna end up as grumpy as our parents did
Sticking to a boring routine
Taking out the garbage and scrubbing dirty dishes is
Just not quite as fun as it seems

It's been so long since we cuddled 'til the break of dawn
It's been so long since we put the Smashing Pumpkins on
I can't tell you where this thing went wrong
It's been so long
Let's do it again

We couldn't believe we were really getting married and
Going on our dope honeymoon
Everything was perfectly filtered like an Instagram
All our dreams had finally come true

But it's been so long since we put our fishing snorkels on
It's been so long since we played a game of Donkey Kong
I can't tell you where this thing went wrong
It's been so long
Let's do it again

Ooh-hoo, it's been so long
Ooh-hoo, it's been so long
Ooh-hoo, it's been so long
Ooh-hoo, it's been so long
(One, two)

We don't wanna end up as grumpy as our parents did
Sticking to a boring routine

It's been so long, so let's dance like it's a senior prom
It's been so long, now we've got another favorite song
I can't tell you where this thing went wrong
It's been so long
Let's do it again

Ooh-hoo, it's been so long
Ooh-hoo, it's been so long
Ooh-hoo, it's been so long
Ooh-hoo, it's been so long
