

# Longtime Sunshine

Weezer

sometimes i wanna pack it all up, get on a bus and move to vermont  
or maine, or any of those states back east that i remember  
sometimes i wanna go back to school to an east coast college with  
some history  
i'd be satisfied, i know, in the simple things

longtime sunshine, longtime sunshine upon me

sometimes i wanna build a house with a woodstove or a fireplace  
in the middle of the living room an old piano  
sometimes it don't seem so bad to settle down with a good woman  
leave this lonely life behind forever and ever

longtime sunshine, longtime sunshine upon me  
longtime sunshine, longtime sunshine upon me

sometimes i wanna get in a car, close my eyes and drive real fast  
keep on going 'til i get some place where i can truly rest

longtime sunshine, longtime sunshine upon me  
longtime sunshine, longtime sunshine upon me
