

Outta Here

Weezer

You've taken me for granted
Made me wait on you
You never make me feel good
Or even say "Thank you"

I'm out of here
I ain't comin' back no more (Ain't comin' back no more)
Have yourself a nice life
'Cause I'm out of here

I'm going to find somebody
Who appreciates me
I know that I'm a
A good catch
So I should be happy

I'm out of here
I ain't comin' back no more (Ain't comin' back no more)
Have yourself a nice life
'Cause I'm out of here

You are going to feel stupid some day
When you realize what you threw away
No one else can make you feel like I do
Have a nice life without me, you fool!

I'm out of here
I ain't comin' back no more (Ain't comin' back no more)
Have yourself a nice life
'Cause I'm out of here
I'm out of here
I ain't comin' back no more (Ain't comin' back no more)
Have yourself a nice life
'Cause I'm out of here
I'm out of here (Ain't comin' back no more)
I'm out of here
