Sheila Can Do It

Weezer

If Sheila can do it, I can do it
I don't see the problem with that
She is my other, a sister to a brother
And look at the thing that she's done
She looks like she's having fun
And I don't see the problem with that

She's shaving her legs and she's feeling alright
She's putting on jeans of the type that are tight
She's getting herself ready to take on the night

If I feel my heart is getting watered down
If I feel my heart is getting watered down
If I feel my heart is getting watered down
Then I'll stop and I'll turn and I'll say

Man, if you'd seen this girl about two years ago
Seen her then, and seen her now, I swear you'd never know
That who you were seein' was the same pistachio

If I feel my heart is getting watered down
If I feel my heart is getting watered down
If I feel my heart is getting watered down
Then I'll stop and I'll turn and I'll say

If Sheila can do it, I can do it
I don't see the problem with that
She is my other, a sister to a brother
And look at the thing that she's done
She looks like she's having fun
And I don't see the problem with that

If I feel my heart is getting watered down
If I feel my heart is getting watered down
If I feel my heart is getting watered down
Then I'll stop and I'll turn and I'll say

If Sheila can do it, I know that I can do it
I don't see the problem with that
She is my other, a sister to a brother
And look at the thing that she's done
She looks like she's having fun
(She looks like she's having fun)
And I don't see the problem with that
(And I don't see the problem with that)
She looks like she's having fun
(She looks like she's having fun)
And I don't see the problem
I don't see the problem with that

(Bye, Sheila)
