

Should She Stay Or Should She Go

Weezer

Maybe think Old Testament?
Old Testament?
Old Testament? You mean the metal band?

This garden was an Eden, all summer long
But now the leaves are turning, where did I go wrong?
She's been off in the dark, at the Tree of Life
Worshiping a serpent, taking in his lies

So tell me God, tell me God
How would you handle this? How should I handle this?

Should she stay, or should she go, go, go?
I don't know (ho ho)
I don't know (ho ho)
Should she stay, or should she go, go, go?
She is all I know, I can't let her go

She's the Queen of the Earth, and I'm her king
But lately we've been fighting about everything (And nothing)
I could kick her ass out, move on with my life (Nice knowing ya
)
Or I could follow her into the night

So tell me God, tell me God
How would you handle this? How should I handle this?

Should she stay, or should she go, go, go?
I don't know (ho ho)
I don't know (ho ho)
Should she stay, or should she go, go, go?
She is all I know, I can't let her go

Should she stay or should she go, go, go?
I don't know (ho ho)
I don't know (ho ho)
Should she stay or should she go, go, go?
She is all I know, I can't let her go
