Weezer

Suzanne, you're all that I wanted of a girl  
You're all that I need in the world  
I'm your child, make me blush, drive me wild  
Suzanne, you're all that I wanted

When I met you I was all alone  
Cold and hungry cryin' on the phone  
You baked me brownies and said, 'Don't you cry'  
And gave me the coat off your back

Suzanne, you're all that I wanted of a girl  
You're all that I need in the world  
I'm your child, make me blush, drive me wild  
Suzanne, you're all that I wanted

Even Izzy, Slash and Axl Rose  
When I call, you put 'em all on hold  
And say to me that you'd do anything  
And all I can do is say that  
I haven't much I can give you in return  
Only my heart and a promise not to turn  
But I sing to you every day and every night  
Suzanne, I'm your man

Suzanne, you're all that I wanted of a girl  
You're all that I need in the world  
I'm your child, make me blush, drive me wild  
Suzanne, you're all that I wanted  
Of a girl
