

The Prince Who Wanted Everything

Weezer

Do do do do
Do do do do
Do do do do
Do do do do

Once upon a time there was a prince
He tried to save the world with funk rock riffs
Look at him now, oh
Look at him now, oh
On cobblestones

He's the prince who wanted everything
He's the prince who wanted everything

Do do do do
Do do do do

Ooh, his hair was very Joan Baez
And fans would auction off his autographs
Look at him now, oh
Look at him now, oh
His paisley bones

He's the prince who wanted everything
He's the prince who wanted everything

Do do do do
Shoo do do do

Because life will make a beggar of rich men
Bring the sovereign to his knee-ee-ees
And all the gold and all of the platinum
Melting like a drop in the sea-ea-eas
The only way to escape
Is to dance dance dance in the flames

Do do do do
Do do do do
Do do do do

All the courtiers would genuflect
Kiss the ring, secure a bonus check
Where are they now, oh?
Where are they now, oh?
In red corvettes

They left the prince who wanted everything
He's the prince who wanted everything

Do do do do
Do do do do
