

# NOT ENOUGH

WEi

Seontaekaeya haetdeon naege  
Hold on, hold on  
Kkeuchi eomneun waiting  
So long, so long  
Now I realized  
You're dead and gone  
Emptiness inside  
Nochi mothae

All this time  
Muneojigo heomureojindaedo neoreul  
Now I  
Ichyeojindaedo yaksokalge kkok neoreul

You can't take my heart  
Jiwojyeodo ajik neoreul wonhae  
Neoran kkumsogeseo waking  
Woah, don't know  
Gieok soge meolli meolli  
Ne gyeoteseo fallin', fallin'  
Tell me, was it all  
Not enough?

Meoreojyeo ganeun  
Nege ikkeullyeo  
Tteonaryeo haedo  
Gyeolguk dasi yours  
No, I don't wanna be another passing love  
Thinking all we had was just a simple love  
Got me so high when we're only talking  
Hollansogeseodo nege galge

Muneojigo heomureojindaedo neoreul  
Now I  
Ichyeojindaedo yaksokalge kkok neoreul  
Oh, oh
