

## Fatter

"Weird Al" Yankovic

Fatter, fatter  
Shake 'n Bake, fatter  
Shake 'n Bake, fatter  
Fatter

Corndogs, pizza, Coca Cola  
Yogurt, butterscotch, granola  
Look at me, I'm fatter  
I'm fatter, I'm fatter

Friends all gather 'round me  
My enemies surround me  
Yelling "Fatso, fatso, fatso"  
I've eaten at every single greasy spoon on Seventh Avenue  
That's right, I'm fatter

Don't you know my weight is going up, up, up, up  
I tell you, this turkey sure is tough  
Tough, tough, tough, tough, tough, tough

They got pizza on the west side  
French fries up town  
Corn dogs deep fried in batter  
I'm fatter

Go ahead, bite the big apple  
Don't mind the calories  
Pile it on my platter  
I'm fatter

Pile it up, pile it high up
