Woo my peter pan, hurry and take me away  
I'll close my eyes, put the wings on me  
Light as air  
I'll lay everything down for a moment  
New world, I wanna go to that place

(Say hello) say hello to a new me  
(Hello) kiss my red lips, yeah

This is the highest place in the world  
A place that is more reality-like than reality

So tonight is not the last  
So I won't wake up if this is a dream  
So this journey won't end  
Be with me forever

We keep going keep going going on  
Your Neverland, take me there  
There, it's a new world new world eh  
Keep going keep going going on  
Will it be as beautiful as I think?  
Will it resemble you? yeah

Woo I'm looking at you under the moonlight  
I've stopped in this unfamiliar scene  
The world is spread out like a picture  
Like a gift that has you in it  
Will you fill my heart?

So tonight is not the last  
So I won't wake up if this is a dream  
So this journey won't end  
Be with me forever

We keep going keep going going on  
Your Neverland, take me there  
There, it's a new world new world eh  
Keep going keep going going on  
Will it be as beautiful as I think?  
Will it resemble you? yeah

Feels like looking at stars on top of a rainbow  
Feels like I have the sky in my hands  
I'm curious, I only want to get to know you right now  
Only placing you in my eyes  
Right now

There, it's a new world new world eh  
Keep going keep going going on  
Will it be as beautiful as I think?  
Will it resemble you? yeah

There, it's a new world new world eh  
There, it's a new world new world eh  
There, it's a new world new world eh
