

## Ain't Supposed to Rain

Welshly Arms

Walked through the doors of a happy home  
Stepped right in to find myself alone  
I don't know why I feel this way  
It ain't supposed to rain on a sunny day

Thought of my days as a younger man  
There wasn't a lot that I couldn't stand  
Well here we are, I chose this way. It will never be the same

Ran out the doors of my happy home  
To find my soul I lost years ago  
But I don't know why I feel this way  
It doesn't always rain on a cloudy day

Walked through the doors of my home again  
To find the shoes of another man  
I can't change choices I made  
And I sure can't stop the rain

I walked through the doors of my home again  
Glad I did. Glad I did  
Opened the doors and I walked right in  
Glad I did. Glad I did cause  
Nobody's gonna take it away  
Oh the rain's gonna have to come another day
