

# Burn Me Alive

Welshly Arms

Strike like matches  
Smoke and flashes (Oh)  
My pain is passion  
And I ain't lettin' go  
My blood is rushin'  
My heart is jumpin'  
Over you

I like to love dangerously  
So pour your gasoline  
Yeah put your sweat on me  
Won't you give it to me

I got a burnin' desire  
A burnin' desire  
You make my fever ignite  
In the heat of the night  
Cause you are fire  
Come burn me alive  
Burn me alive

Lightning crashes  
Sparks and ashes fly  
And nothing else matters  
You're my paradise  
I will go up in a blaze  
And you will be fanning the flame  
Oh I

I like to love dangerously  
So pour your gasoline  
Yeah put your sweat on me  
Won't you give it to me

I got a burnin' desire  
A burnin' desire  
You make my fever ignite  
In the heat of the night  
Cause you are fire  
Come burn me alive

I got nowhere to hide

I got a burnin' desire  
A burnin' desire  
You make my fever ignite  
In the heat of the night  
Cause you are fire

I got a burnin' desire  
A burnin' desire  
You make my fever ignite  
In the heat of the night  
Cause you are fire  
Come burn me alive  
Burn me alive
