

Dirty Work

Welshly Arms

Mama said it's alright
Found a rocket skylight
Looking for a good time
And I found a side back
You've never been but you dreamed oh my

Sing...

Mama said it's alright
Hey! who will you get to do your dirty work?
Hey! who will you get to do your dirty work?

No gods, no glory
That's the price of your story
Never bite the hand that feeds
You'll live and learn to get it to bleed

Sing...

Mama said it's alright
Hey! who will you get to do your dirty work?
(I said) Hey! who will you get to do your dirty work?
Hey! who will you get to do your dirty work?

Oh I know my time will come
But yours is here now
Mama said it's alright (oh yeah)
One, two
One, two, three sing...
(Don't you forget)...
Sing
Hey! who will you get to do your dirty work?
(Sing) Hey! who will you get to do your dirty work?
Hey! who will you get to do your dirty work?
