

# Down To The River

Welshly Arms

You can preach it, and you can teach it  
Do you believe it (But do you believe it)  
You can preach it, and you can teach it  
Do you believe it (Woo, yeah)  
You can preach it, and you can teach it  
Do you believe it (Do you believe it)  
You can preach it, and you can teach it  
Do you believe it (Oh, ooh)

Whoa, whoa, whoa, whoa-oh  
Whoa, whoa, whoa, whoa-oh

I got my back up to the edge of the room  
You left me nowhere to hide  
Your words of venom spitting salt in my wounds  
Till I'm paralyzed

Feet in the clouds, my head on the ground  
(Whoa, whoa, whoa, whoa)  
I'm begging you please  
Just take me down to the river to drown

You can preach it, and you can teach it  
But do you believe it  
Take me down to the river to drown  
'Cause you can preach it, and you can teach it  
But do you believe it

It's getting clearer to me every day  
You leave a wake of destruction  
All this talk  
Is still gonna leave me with nothing

Feet in the clouds, my head on the ground  
(Whoa, whoa, whoa, whoa)  
I'm begging you please  
Just take me down to the river to drown

You can preach it, and you can teach it  
But do you believe it  
Take me down to the river to drown  
'Cause you can preach it, and you can teach it  
But do you believe it  
Just take me down to the river to drown  
You can preach it, and you can teach it  
But do you believe it  
Just take me down to the river to drown  
'Cause you can preach it, and you can teach it  
But do you believe it  
Just take me down to the river

You never think about the crazy things you always say  
I wonder if you even notice that you stand in my way  
Won't feel when you feel it out  
Just take me down to the river to drown

You can preach it, and you can teach it

But do you believe it  
Take me down to the river to drown  
'Cause you can preach it, and you can teach it  
But do you believe it  
Just take me down to the river to drown  
You can preach it, and you can teach it  
But do you believe it  
Just take me down to the river to drown  
'Cause you can preach it, and you can teach it  
But do you believe it  
Just take me down to the river

You can preach it, and you can teach it  
But do you believe it  
Take me down to the river to drown  
'Cause you can preach it, and you can teach it  
But do you believe it  
Hey! Take me down to the river to drown  
You can preach it, and you can teach it  
But do you believe it  
Oh, take me down to the river to drown  
'Cause you can preach it, and you can teach it  
But do you believe it  
Oh, just take me down to the river

Down to the river, down to the river  
Down to the river, down to the river  
Down to the river, down to the river  
Down to the river  
Down to the river, down to the river  
Down to the river, down to the river  
Down to the river, down to the river  
Down to the river
