

# Never Be The Same

Welshly Arms

Leaving on Sunday morning  
Leaving on an early train  
Everybody got their reasons babe  
But mine will never be the same  
I will never be the same

I got an evil woman  
She's just a ball and chain  
She hold me down, I'm leaving now  
But, I would have to change me name  
'Cause I will never be the same

I never knew that a woman could change me  
I once was blind but now I can see  
She took my soul, she ripped it out  
Left me here with my knees to the ground  
I never knew that a woman could change me

(Wooh)  
(Woohoo hoo hoo hoo)  
Never gonna be the same  
(Woohoo hoo hoo hoo)  
Never gonna be the same

Yeah, that girl she plays with fire  
She thinks it's all a game  
She throw your things in gasoline  
And watch it go up in flames  
'Cause boy, you'll never be the same

I never knew that a woman could change me  
I once was blind but now I can see  
She took my soul, she ripped it out  
Left me here with my knees to the ground  
I never knew that a woman could change me

(Woohoo hoo hoo hoo)  
Never gonna be the same  
Never gonna be the same  
(Woohoo hoo hoo hoo)  
Never gonna be the same, the same  
(Woohoo hoo hoo hoo)  
Never gonna be the same  
Never gonna be the same  
(Woohoo hoo hoo hoo)  
Never gonna be the same

Burn, burn  
You can let it burn  
You can never burn me out  
I said, burn burn  
You can let it burn  
You can never burn me out, just gonna  
You can never burn me out, wouh  
Yeah, you can never burn me out
