

Proud

Welshly Arms

I don't need to have a premonition, don't need permission
It's my condition not to hide
Won't apologize for the wisdom
Won't run away from my mission to survive
Won't let my head hang low
Won't let the monster grow
No time to be humble
The world is a jungle

Cuz I've been nobody and I know what's it like to drown
(PROUD PROUD PROUD)
And I been punch drunk, but I woke up sober now
(PROUD PROUD PROUD)
I never avoid it
I see it, destroy it
Hell yes, I've fallen, but I never hit bottom
I'm feeling so damn proud
(PROUD PROUD, PROUD PROUD PROUD)

I was born a walking demolition, head on collision
Still hear the ringing in my ears
Every hard lesson I learned it, that's why it's worth it
Damn right, I earned it
Won't let my head hang low
Won't let the monster grow
No time to be humble
The world is a jungle

Cuz I've been nobody and I know what's it like to drown
(PROUD PROUD PROUD)
And I been punch drunk, but I woke up sober now
(PROUD PROUD PROUD)
I never avoid it
I see it, destroy it
Hell yes, I've fallen, but I never hit bottom
I'm feeling so damn proud
(PROUD PROUD, PROUD PROUD PROUD)
(PROUD PROUD, PROUD PROUD PROUD)

I'm feeling
(No time to be humble, the world is a jungle)
I'm feeling
(No time to be humble)
Oh, I'm feeling PROUD

Cuz I've been nobody and I know what's it like to drown
(PROUD PROUD PROUD)
And I been punch drunk, but I woke up sober now
(PROUD PROUD PROUD)
I never avoid it
I see it, destroy it
Hell yes, I've fallen, but I never hit the bottom
I'm feeling...

I never avoid it
I see it, destroy it
Oh... I'm feeling PROUD

(PROUD PROUD, PROUD PROUD PROUD)
I'm feeling, I'm feeling, I'm feeling
(PROUD PROUD, PROUD PROUD PROUD)
I'm feeling, I'm feeling, I'm feeling
(PROUD PROUD, PROUD PROUD PROUD)
Hell yes, I've fallen, but I never hit bottom
There ain't no doubt I'm proud
