

That Voodoo

Welshly Arms

You wanted money, but you could never have enough
You would have stolen, but you don't wanna play rough
You won a little, but that was only fool's luck
Place your bet, count the rest
Tell me are you rich?

Cus' it feels like you're holding your tongue
Words must be filling your lungs
But I don't know how it feels to hurt enough to need those pills
But you do
You do that voodoo
You do that voodoo
And who knew?
We leave you here feeling so good

You wanna heal me, but I don't really need your touch
You tried to teach me, but you don't seem to know so much
I was the only one who ever listened to you
Rain or shine
Share your mind
I must be crazy

Cus' it feels like you're holding your tongue
Words must be filling your lungs
But I don't know how it feels to hurt enough to need those pills
But you do
You do that voodoo
You do that voodoo
And who knew?
We leave you here feeling so good

It seems like you're like holding your tongue
Words must be filling your lungs
But I don't know how it feels to hurt enough to need those pills
No, I don't know-
I don't know-
I don't know it neither
