Forget that good girl
I tried and at first, it wasn't bad
But now I'm done
Da-la-la-la
Stroking her hair
So kind, they say, a girl loved by all
Who always does as she's told
Everybody loves her

Show's over
That lovely girl
I kicked her out
Won't ever see her again
Trapped inside a doll
That can only smile
That was you, and we're over
Don't ever come back

I wish you hell
I don't wish you well
I wish you hell
Yeah, I wish you hell
I wish you hell
I found myself
I wish you hell
Yeah, I wish you hell

Chose the bitter pill
Don't know what will happen
But I don't have even one ounce of regret
Da-la-la-la
In my villain era
Wanna be special, wanna be strong
The person I really wanna be
I choose her

First time in my life I've realized who I am
I am in fact unpredictable a problem child (Ah)
A bit broken and a little weary
But this comfortable feeling
Is better for me

I wish you hell
I don't wish you well
I wish you hell
Yeah, I wish you hell
I wish you hell
I found myself
I wish you hell
Yeah, I wish you hell

Please stop getting mad, they say (Ooh)
But I think it's kinda fun (Ah-ah)

I can do anything I want, anything (Yeah, yeah)
I found myself, number one (Ahh; Oh)

I wish you hell (I wish you hell)
I don't wish you well (I don't wish you well)
I wish you hell
Yeah, I wish you hell
I wish you hell (H-E-L-L)
I found myself (I found myself)
I wish you hell
Yeah, I wish you hell
