

Bitter

Wengie

I could make a list of the things that I wish you never did
All the ways that you got under my skin
But I ain't got no time

I could talk about all the ways that you used to do me wrong
But I think that I'd rather hold my tongue
And just move on with my life

Sit back
I'mma let the karma have it's way
Someday, I'll know you know how it tastes

Cause being bitter won't make me better
Oh revenge is when you see me doing well

I won't forget you, but I'll forgive you
Oh not for you, but only for myself

Baby I ain't bitter
Can't have sweet without the sour
I won't give you any power, no
Baby, baby I ain't bitter, bitter

If I see you around
Won't be wasting my breath to call you out
Cause it ain't worth letting you get me down
Yeah, those days are gone

But just because I'm cool
Doesn't mean that we still got any fire
But I'm still gonna kill you with a smile
Cause what's done is done

Sit back
I'mma let the karma have it's way
Someday, I'll know you know how it tastes

Cause being bitter won't make me better
Oh, revenge is when you see me doing well

I won't forget you (forget you), but I'll forgive you (forgive you)
Oh, not for you, but only for myself

Baby, I ain't bitter (no)
Can't have sweet without the sour (no)
I won't give you any power, no
Baby, baby I ain't bitter, bitter

Cause being bitter won't make me better (no)
Oh revenge is when you see me doing well (I'm doing well)

I won't forget you, but I'll forgive you (I'll forgive you)
Oh not for you, but only for myself

You know

Baby I ain't

Bitter
