

do it right

Wengie

I was thinking the other day, "How you?"
How you like pretending, like to play
You do
Please don't lie
I've already given permission

Don't act like you don't see
How I be flirtin' hard, digitally
Time is like money, spend it on me (On me)
Wanna roll? Here's the dice
When you do it, no need to do it
'Less you do it right

Do that thing right, do it all night
Do that thing right, do it all night
Do that thing right, do it all night
Do that thing right, do it all night (Do it)
Do it right

Right (Yeah)

Don't need no fake love, I like the real
There ain't no need to be shy
Just close your eyes, relax your mind
And trust the vibes

Promise it's cool
Heard what you said, but what you gon' do?
Touched me, now, you stuck on me like glue
Need some advice?
When you do it, no need to do it
'Less you do it right

Do that thing right, do it all night
Do that thing right, do it all night
Do that thing right, do it all night (Do it right, do it right)
Do that thing right, do it all night (Do it)
Do it right

Do it right
Do it right
Do it right, yeah
Do it right
Do it right
Do it right (Yeah)

(Do that thing right, do it all night)
(Do that thing right, do it all night)
