

TALK TALK

Wengie

Talk, talk, talk
And it's breaking my heart
(All you do is talk, talk, talk, talk)
Shut up!
Talk, talk, talk
And it's breaking my heart
(All you do is talk, talk, talk, talk)
(Hey! Hey!)

You think I can't read your game, oh oh
But I can beat your poker face any day, any day
You're all talk, all words
Let me tell you what I heard
You're always spinnin' stories
Ooh, I got your number down (oh oh)
No need to put one over but you're so proud, so proud
You're all talk, sounds, blurbs
Don't believe a single word
Is that all you got for me?

'Blah blah blah' are the words that you're saying
I didn't wanna know, but now I know I can't go back
'Blah blah blah' is the sound that I'm hearing
Blah, blah blah, blah
Shut up!

All you do is talk, talk, talk, talk (hey, hey)
Running on your mouth and thinking I'm not onto you
Talk, talk, talk, talk (hey, hey)
Stop wasting up my time yeah, with your stupid lines (hey!)
I don't need no other reason not to bother
It's only that you never tell the truth, boy
All you do is talk, talk, talk, talk (oh, oh, oh)
Talk, talk, talk
And it's breaking my heart

Hey boy
