

UNDRESS

WesGhost

Look me in the eyes, don't look away
I like the way you say my name

You look so good with no makeup on
I see your halo, but your wings are gone
Angel life
Still close to heaven every time we talk
But I see your demons when the lights are off
I'm terrified
Your lips fit perfect into mine
You should stay the night
Wake up tomorrow by my side

Look me in the eyes, don't look away
Baby, tell me you love me, I feel the same
I like the way you say my name
Tear my body to pieces and wear my pain
When you undress I'm obsessed
I'm obsessed, I'm obsessed
Hands on your neck, it's more than sex
I'm obsessed, I'm obsessed

I wasn't ready, I wasn't looking
That's when I stumbled into you
Out of the darkness into your arms
When the feeling hit me out of the blue

I'm terrified
Your lips fit perfect into mine
You should stay the night
Wake up tomorrow by my side
Look me in the eyes, don't look away
Baby, tell me you love me, I feel the same
I like the way you say my name
Tear my body to pieces and wear my pain
When you undress, I'm obsessed
I'm obsessed, I'm obsessed
Hands on your neck, it's more than sex
I'm obsessed, I'm obsessed

I'm terrified
Your lips fit perfect into mine
You should stay the night
Wake up tomorrow by my side
When you undress, I'm obsessed
I'm obsessed, I'm obsessed
Hands on your neck, it's more than sex
I'm obsessed, I'm obsessed
Look me in the eyes, don't look away
Baby, tell me you love me, I feel the same
I like the way you say my name
Tear my body to pieces and wear my pain
When you undress, I'm obsessed
I'm obsessed, I'm obsessed
Hands on your neck, it's more than sex
I'm obsessed, I'm obsessed
