

I tell you "It's okay if you don't wanna stay"  
Maybe I'll go back to using  
'Cause I hate the thought of losing you again  
My veins are bleeding out like rain  
Every drop that hits the pavement  
Wakes me up and now I'm craving you again

I can't breathe, last night I just had to watch you leave  
Left my pain and took the rest of me  
Don't recognise you now

I guess that's just how it has to be  
Drugs are the only thing to comfort me  
Strung out on you and I might O.D.  
I'm dying on this couch  
'Cause I won't last another day without you  
Another sleepless night, another bad decision  
While I'm getting high  
You know you cut these stitches when you twist the knife

Looking at you dead in the eyes as I say "Goodbye"  
And wait for you to arrive  
I hope you're by my side  
The moment I close my eyes for the last time

And I tell you "It's okay if you don't wanna stay"  
Maybe I'll go back to using  
'Cause I hate the thought of losing you again  
My veins are bleeding out like rain  
Every drop that hits the pavement  
Wakes me up and now I'm craving you again

Craving you again  
Craving you again

I can't breathe, last night I just had to watch you leave  
Left my pain and took the rest of me  
Don't recognize you now

As I say "Goodbye"  
And wait for you to arrive  
I hope you're by my side  
The moment I close my eyes for the last time

And I tell you "It's okay if you don't wanna stay"  
Maybe I'll go back to using  
'Cause I hate the thought of losing you again  
My veins are bleeding out like rain  
Every drop that hits the pavement  
Wakes me up and now I'm craving you again

Craving you again  
'Cause I won't last another day without you  
Another sleepless night, another bad decision  
While I'm getting high  
You know you cut these stitches when you twist the knife
