

Aftab Noorani

Wesley Willis

You are a nice doctor
You are my grateful one
You are my man
You are the greatest

Aftab Noorani
Aftab Noorani
Aftab Noorani
Aftab Noorani

You gave me a shot of Prolixin
You are calming me down
I like you a lot
I like you well

Aftab Noorani
Aftab Noorani
Aftab Noorani
Aftab Noorani

You've discharged me from the hospital
I'm so glad to be free
After staying in the hospital five days
I was discharged from the unit
Suddenly, I am a free man

Aftab Noorani
Aftab Noorani
Aftab Noorani
Aftab Noorani

[Incomprehensible]
The heartbeat of America
That's today's Chevrolet
