

## Chances

Westlife

Take all your chances while you can  
You never know when they'll pass you by  
Like a sum the mathematician cannot solve  
Like me trying my hardest to explain

It's all about your cries and kisses  
Those first steps that I can't calculate  
I need some more of you to take me over

Take me over

If I had the chance to start again  
Then you would be the one I'd come and find  
Like a poster of Berlin on my wall  
Maybe there's a chance our walls might fall

It's all about your cries and kisses  
Those first steps that I can't calculate  
I need some more of you to take me over

It's all about your cries and kisses  
Those first steps that I can't calculate  
I need some more of you to take me over

I know I because I can't calculate

How to respect you  
How to start again  
How to start again  
How to start again

It's all about you
